SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 3	Normal Operations	Normal Operations

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

Situation Overview

- **California State of Emergency Proclamation**

On 03/04/20, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Global Health Advisory**

On 08/06/20, in close coordination with the U.S. Centers for Disease Control and Prevention (CDC), the Department of State lifted the Global Level 4 Health Advisory. The Global Advisory, initially put in place on 03/19/20, advised U.S. citizens to avoid all international travel due to the global impact of COVID-19. For more information visit: <https://www.state.gov/>

- **State Executive Order N-07-21 and N-08-21**

On June 15th, the Governor terminated the executive orders that put into place the Stay Home Order and the Blueprint for a safer economy. He also phased out most executive actions put in place since March 2020 as part of the pandemic response, leaving a subset of provisions that facilitate the ongoing recovery. For more information visit: [Executive Order N-07-21](#) and [Executive Order N-08-21](#)

- **Executive Order N-09-21**

On 06/17/21, California revised Covid-19 Prevention Emergency Temporary Standards based on a vote by the Occupational Safety and Health Standards Board, to take immediate effect on 06/17/21. The updates include changes to face coverings and physical distancing requirements. More information on the revised Covid-19 Prevention Emergency Temporary Standards can be found in CAL/OSHA's Frequently Asked Questions: [Frequently Asked Questions](#)

- **CDPH Statewide Travel Advisory**

As of 06/15/21, CDPH and the CDC recommend delaying travel until persons are fully vaccinated. For more information: <https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/COVID-19/CA-is-Open-Travel-Guidelines.pdf>

On 04/21/21, the State Operations Center (SOC) changed the reporting tempo for the COVID-19 Sit Stat and Trifold Reports from daily to once a week. Updated reports can be expected every Tuesday of each week until further notice.

SITUATION SUMMARY

Coronavirus Disease 2019 (COVID-19) (Continued)

Confirmed Global COVID-19 Cases – Per Worldometers COVID-19 Live Updates as of 06/29/21 at 1700 hours:

- 182,385,051 (+2,689,025) total confirmed cases
- 3,948,996 (+57,699) total deaths

Confirmed United States COVID-19 Case – Per Centers for Disease Control and Prevention (CDC) as of 06/28/21 at 1700 hours:

- 33,451,748 (+82,888) total confirmed cases
- 601,506 (+2,152) total deaths

Confirmed California COVID-19 Cases - Per Medical Health Coordination Center as of 06/29/21 at 1700 hours:

- 3,714,813 (+10,173) total confirmed cases

COVID-19 Vaccines Administered – Per Vaccine Task Force as of 06/29/21 at 1700 hours:

- 41,479,219 (+856,445) vaccines administered
- Please see attached California Health & Human Services (CHHS) Agency / Cal OES Joint Situation Report for additional details

Late June 2021 Heat Event

Phase II Activation of the Heat Contingency Plan

- Phase II actions of the California Heat Contingency Plan are taken as a result of the National Weather Service's issuance of Excessive Heat Warnings with poor overnight recovery for an Operational Area over a period typically three or more days.
- Phase II of the Heat Contingency Plan has been activated through Thursday, July 1, due to forecasts of dangerous and excessive heat for portions of Inland, Coastal, and Southern Regions.
- Please see the attached Situation Cell Incident, Late June 2021 Heat Event Report

Actions Taken by Cal OES

- The Situation Cell produced Weather Outlook briefing for situational awareness on June 25, 2021, and started incident reporting, June 26, 2021. The incident report includes state and local actions, as well as cooling center information.
- The Situation Cell will continue to monitor the heat event for increase in duration and/or impacts and reevaluate the Heat Plan as necessary.
- The Situation Cell is activated at an enhanced watch and will continue to monitor the heat event for increase in duration and/or impacts and reevaluate the Heat Plan as necessary.

SITUATION SUMMARY

Cal OES INLAND REGION

Teviston CSD Water System Failure, Tulare County

On Monday, 06/14/21, Tulare County OES reported a water system failure in the community of Teviston, which has 110 service connections and a population of approximately 348.

- Tulare County OES coordinated the delivery of bottled water to each residence, which should provide enough water through the weekend and through the Excessive Heat Warning weather event. Participating agencies included several Tulare County departments, Self Help Enterprises, Community Services Employment Training (CSET), and Cal OES Inland Region.

Note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.

Cal OES Fire Missions

2019-FIRE-402: California National Guard (CNG) personnel assigned to fuel reduction efforts in CAL FIRE Units: Shasta/Trinity, Nevada/Yuba/Placer, San Benito/Monterey and Fresno/Kings.

- 5 CNG 20-person Hand Crew to support CAL FIRE (to include all necessary personnel, support, transportation and materials).
- 65 additional soldiers to be trained and ready to backfill.
- Assigned to fuel reduction efforts in SHU, NEU, BEU, and FKU (1 crew in each unit with the exception of 2 crews in FKU).

Prepositioned Resources:

The following resources have been requested by the local Operational Area and approved via the California State Mutual Aid Pre-Incident Preparedness Guidelines.

FIRE ACTIVITY

Lava, Vegetation Fire, Siskiyou County

Lava, Vegetation Fire, Siskiyou County

Hotlum Rd x Lumm Rd, 4 miles northeast of Weed

Federal DPA, SRA/FRA, Shasta Trinity National Forest

- 13,300 (+9,300) acres timber, brush, 20% (+20%) contained
- Active overnight fire behavior
- Evacuation Orders issued for community of Lake Shastina and surrounding areas
- Hwy 97 closed, threat to Interstate 5
- Private timberlands threatened
- Rail Lines and critical infrastructure threatened
- Burning Mt. Shasta Wilderness
- Unified Command: Type 2, CA Team 14 (Watkins) and CAL FIRE
- 2 CAL OES Fire and Rescue Branch ACs assigned

FMAG/ Proclamations:

- An FMAG was submitted by the Incident and has been approved by FEMA (5393-FM-CA)
- [Siskiyou County proclaimed an emergency for the Lava Fire on June 29, 2021. Siskiyou County has requested a Governors proclamation and any State and Federal assistance. Siskiyou County is not formally requesting CDAA at this time.](#)

Activations:

- Siskiyou EOC activated at level 1 (Highest)
 - 0700-1900
 - Duty Officer at night
- The Inland REOC is activated at a Level III for the Lava and Tennant Fires in Siskiyou County. Current operational period is 0800-1700.
 - 1 Deputy Regional Administrator assigned
 - 2 Senior Emergency Services Coordinators assigned

Deployments:

- 2 Cal OES Inland Region ESCs
- [1 Deputy Regional Administrator](#)
- 1 Cal OES LAW Assistant Chief
- 2 Cal OES Fire Assistant Chiefs

FIRE ACTIVITY

Lava, Fire, Siskiyou County (Continued)

Evacuations:

- Evacuation Orders are in place for approximately 10,000 residents in the Lake Shastina, Juniper Valley, and Shasta Vista area

Shelters:

- A Temporary Evacuation Point (TEP) has been established at Big Springs Elementary School, 7405 Hwy A-12, Montague CA 96097
- Evacuation Shelter established at Jackson Street School, 405 Jackson Street, Yreka, CA 96097
 - Shelter managed by American Red Cross (ARC)
 - Overnight count: 15 (per ARC)
 - Per Inland ESC, additional people in vehicles in the parking lot

Animal Shelter:

- Animal shelter (Small and Large) at Siskiyou County Fairgrounds, 1712 Fairlane Road, Yreka, CA 96097
- Rescue Ranch, 2216 Oberlin Road, Yreka, CA 96097. Dogs are being housed at this location.
 - 195 animals are being housed.

Road Closure:

- US 97 from the junction of SR 265 to Dorris.

Community Meetings:

- USFS had a community meeting on 6/28 at 1900 hours at College of Siskiyou's Weed Campus

Utilities:

- PP&L is assessing possible damage to powerlines
- Union Pacific Railroad is reporting damage to their tracks and bridges in the fire area

Health and Medical:

- No reported issues

Needs/Anticipated Needs:

- No current unmet needs
- Should this become a prolonged incident Siskiyou may need sheltering support
- CDSS has been contacted and is engaged

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Interior areas of northwest California will heat up through the weekend, with hot weather lasting into next week. Sunday is expected to be the hottest day, with the focus of the heat in the areas included in the Excessive Heat Warning area. High temperatures between 100 and 112 degrees are forecast for the interior valleys in this area.
- Dangerously hot conditions with temperatures up to 105 possible for northeast California and the Sierra Front from Sunday afternoon through Wednesday evening.
- A Red Flag Warning is now in effect from 6/29/2021 1400 hours to 2300 hours for Madera, Mono, and Alpine Counties
- Fire Weather Watch is now in effect from 6/29/2021 1400 hours to 2300 hours for Lassen, Sierra, and Plumas Counties
- Red Flag Warning is now in effect from 6/29/2021 1400 hours to 2300 hours for Lassen, Nevada, Placer, Sierra, and El Dorado Counties
- An Excessive Heat Warning will go into effect on Saturday, 06/26/21 and last into 06/29/21 in Siskiyou and Modoc County.
- An Excessive Heat Watch will go into effect on Sunday, 06/27/21 and last into 06/30/21 in Surprise Valley and in portions of Lassen and Plumas Counties.

SOUTHERN CALIFORNIA

- Red Flag Warning issued for Mono County in effect until 2300 hours, 06/29/21
- Red Flag Warning issued for Inyo County in effect until 2200 hours, 06/29/21

WEATHER KEY POINTS

06/29/21 - 07/05/21

Tuesday-Monday

- Moderate to very high heat risk impacts will continue over much of the state this week
 - Daytime highs of 100 to 110, and locally warmer, will be common over much of the Central Valley and across interior southern California through Thursday
 - Some gradual cooling into the 90s is expected over the Central Valley for the weekend.
 - Interior southern California will remain hot.
 - Temperatures close to the coast will be much cooler through much of this heat event
- Locally breezy conditions can be expected again most afternoons in many foothill and mountain locations, leading to elevated fire weather conditions due to the hot temperatures and ongoing very dry weather
- An increase in showers and thunderstorms appears is expected across the Sierra and southern California by mid week.
 - The main threats with these storms will be lightning, gusty winds, and locally heavy rainfall.

OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2021-LAW-65640, 06/28/2021, 1151 hours**, AFRCC advised of a PLB activation plotting to the area of the City of San Francisco (37.805507 - 122.433390.) SFPD contacted with information for location. Patrol units checked the area. **Mission Closed.**
- **2021-LAW- 65650, 06/28/2021**, Modesto PD, via Stanislaus County Sheriff, requesting a SHRD K9 for a LE sensitive case. CalOES Canine AC coordinated mission. WOOF accepted the mission for 06/29/2021 at 0800 hours. **Mission On-Going.**
- **2021-LAW-65508, 06/24/21, 1503 hours:** Tuolumne County Sheriff requested Santa Clara County Sheriff assist with an underwater search for a presumed-drown female in Lake Don Pedro. Santa Clara County Sheriff accepted the mission, specifically for advanced 3D Side-Scan sonar capabilities, and is coordinating with Tuolumne County Sheriff. **Update:** Search completed; body not located. Resources released. **Mission Closed.**
- **2021-LAW-65589, 06/27/2021, 1123 hours:** IERCC advised of an InReach device activation plotting to the area of Sequoia Kings National Park, Fresno County (36.824874, -118.500102.) A female was reported to be lost and injured. SEKI NPS dispatch initiated a response. **Update:** 2310 hours, an NPS Ranger reached the injured party and has assessed and provided medical care. Due to poor weather an exfil cannot be conducted at this time. Ranger is staying the night with patient and will attempt to medevac the patient in the morning. **Mission On-going.**
- **2021-LAW-65593, 06/27/2021, 2103 hours: Mission On-Going.** AFRCC advised of a PLB device activation plotting to the area of Yosemite National Park, Tuolumne County (37.933205 -119.464893.) Yosemite National Park Rangers initiated a response. Tuolumne County Sheriff Dispatch notified. **Mission On-going.**
- **2021-LAW-65516, 06/24/2021, 1730 hours**, Calaveras County Sheriff requested ROV and Tow Fish assistance with a human remains water recovery at New Melones Lake. Region IV AC contacted Sacramento Sheriff and they accepted the mission. Update: 06/26/2021, Sacramento Sheriff advised mission suspended due to technical issues with equipment. **Mission Suspended.**

Cal OES MISSION TASKINGS

Cal OES Missions

- **2021-TACCOM-0422:** Kit-1 and HQ-10 of Sonim phones to Chico State and the CPUC for their annual Cellular speed test. Typical usage time is 30-45 days.
- **2021-TACCOM-061621:** Sonim Kit HQ3 assigned to OCFA to test Android phones for fire season. ETA Return is 10/21/21. COMC monitoring.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
